Dear Mrs Adamkova,

On behalf of the Ipsos I would like to thank you and the whole team of Grandior & Elephant Hotel for your help with the organization of the European Regional Conference for our company.

The support that you provided made our conference an incredible success.

I would especially like to thank you for always accommodating our requests even at the last minute and keeping everything running smoothly during the conference. I would also like to thank Roberto for his help in setting up our conference rooms in different layouts during limited time frames.

Your attention to detail and professionalism was evident from start to finish. You were consistently available and ready to meet our needs throughout the planning and execution of the conference.

It was a pleasure to work with such a dedicated and talented team.

With sincere thanks,
